3. BYO Drinks

There is a BYO fee of \$29 per person for wine, beer, cider, soft drinks and pre-mixed drinks, based on 3-4 hour charter. If you would like to bring spirits please advise us in advance and there is a \$200 surcharge. We do not serve shots or doubles.

When planning your drinks order please remember that MV Yarranabbe is a licensed vessel and must obey the responsible service of alcohol laws. Ensure you include soft drinks and water in your delivery. Most people tend to over order, this means more drinks to deliver and more left overs to pick up, please bear in mind that we always have a stock of drinks aboard that you can purchase from us if you run low.

Drinks need to be delivered to MV Yarranabbe in Rushcutters Bay 1-3 hours prior to departure. Unfortunately we do not have space to store drinks in advance of the charter. We reserve the right not to load all drinks in the case of an excessive delivery of drinks. Left over drinks will be boxed up for collection the next day. There is a storage fee of \$50 per day for drinks not collected the same day, or next day.

We supply: Glassware, tubs, ice, wait staff
