

Sailing – the ultimate team building and ‘bucket list’ experience

Motivate your ‘crew’ while you have fun, learn the ropes onboard racing yachts and see the results of true team work in action. EastSail hosts corporate and community groups aboard its fleet of sailing yachts for half-day instruction and regattas under the guidance of highly qualified EastSail skippers. It’s the perfect way to experience Sydney Harbour, hands-on, learn new skills and foster strong bonds among your team or clients.

Award winning EastSail is located in Rushcutters Bay, only minutes from Sydney’s CBD and the centre of Sydney Harbour. Established in 1983, EastSail is the leader in Regatta and Team Building Events and with 30 sailing yachts and motor cruises we are Sydney’s largest charter yacht company. Like so many corporate executives and small business owners that have participated in our regattas, you will see the benefits of sailing far outweigh the static ‘lunch and speaker’ event.

Format: 3 to 4 hours of sailing aboard our luxury performance fleet with lower passenger numbers aboard, an experienced skipper and enjoyable course taking the best harbour views. Sit back, relax and take in the spectacular views from a unique vantage point, or get involved, steer the boat, trim the sails and help in the tactics!

Thanks to our network of professional sailors, sports people and celebrities, we also offer the option of a high-profile person sharing your sailing experience, presenting the trophies and speaking about their path to career and sporting success.
